ATA FIGHT NIGHT
Friday, September 15th

6:30-8:30pm

This is open to any student with full sparring gear. Come and spar students from area ATA schools. We will be free sparring, as well as combat.

Students must bring all gear.

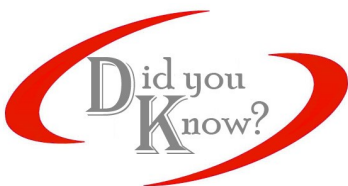

Black Belt Testing Changes

Starting this testing cycle all Black Belt and Red/Black students will be moving to a three month testing cycle. This will allow more time to learn forms and weapons, in order to midterm more quickly.

Black Belt testing should be a culmination of what the student has learned over their color belt or black belt training. Testing for a Black Belt is a huge honor and should be treated as such. Therefore, we will be adding a few requirements to any red/black or black belt testing for either rank or mid-termining. Each student will now be required to test on, in addition to their form, a lower rank form of the cycle as well. All students will be required to attend 1 out of school tournament. And most importantly all students testing for the rank of black belt and beyond will be required to turn in a written essay explaining what your journey has taught you and what getting your new rank means to you. 1st degrees will be required to write 1 page , 2nd degree and above 2 pages.

Please see Ms. Jackson or Mrs. Blanton with any questions.
